Index to columns:-

A - Number of points scored in tournament

B - Number of rated opponents (N).

C - Number of points scored against rated opponents (W).

D - Average rating of rated opponents (Rc). Not shown if the player is unrated and has played less than 3 rated opponents.

E - For rated players, the expected score against rated opponents (We)

For unrated players, '--' denotes a score > 50% against rated opponents.

F - For rated players, the actual game score less the expected score (W-We). Multiply by K to calculate the change in rating

K = 25 for up to 30 FIDE rated games; then K = 15 until rating reaches 2400 when K = 10.

For unrated players, FIDE performance rating. Not shown if the player has played less than 3 rated opponents.
